INTRODUCTION

Principal's Desk

It is my immense pleasure to join Vidya Vikash Concept School, Raigarh. I am overwhelmed with the support I got from parents community, my lovely children, and my colleagues.

There is an inspiring Sanskrit quote that emphasises hard work.

“उद्यमेन हि सिध्यन्ति कार्याणि न मनोरथैः! न हि सुप्तस्य सिंहस्य प्रविशन्ति मुखे मृगाः।

The quote says, “Any work is accomplished by hard work, not just by thinking. Deer do not enter the mouth of a sleeping Lion. The Lion has to strive for his food.” With hard work and perseverance, it becomes easy to achieve the goals we set for ourselves. There are many obstacles one may face in life, but teaching students how to overcome them is pivotal. Our main aim here at VVCS Raigarh is to put this exhilarating thought into practise. We wish to achieve great results and create an impact in the years to come, creating a niche for our approach to providing quality education. Imparting discipline, excellence, and, above all, virtue is our foremost intention.

Principal***

Editor's Note

It gives me great pleasure to introduce our NEWSLETTER "VIKSHAN" which is a visual to the eye.

This gives you an insight into our school activities so that you too will have concrete proof and idea of the activities that go on in the school daily and during various occasions. It also showcases the talents of various students and teachers who contribute their literary works wholeheartedly. You will get to know the talents of your own children too. A school is considered to be a temple of learning so this makes it a sacred place. Education is the stepping stone to success and students should be able to excel in all spheres of learning. We should make full use of the present to have a bright and better future. A school strives to bring an all round development in the students so that they can go out into the world well prepared to face the challenges of life. So with our budding talents in the field of art, literature, sports, music, etc. we hope to bring to you a grand school magazine for your reading pleasure. I would like to conclude with this wonderful quotation, "Education is one thing no one can take away from you."

by Willfred Paul (Educator)

CONCEPT COLUMN

The Innovations

Activity-based learning is rooted in the idea that children are active learners rather than passive recipients of information. If children are provided the opportunity to explore on their own and are provided with an optimum learning environment, then learning becomes more joyful and long-lasting. Hydrating, sweet and cold watermelons taste soothing and cooling on hot summer days. To promote the consumption of summer fruits as well as educate the children on the ill effects of junk food and aerated drinks, “Watermelon Day” was celebrated at Vidya Vikash Concept School, Raigarh. It was a great experience for the children as they explored the texture, colour, seeds and taste of the fruit. They participated in the event by wearing watermelon costumes and other accessories. Stories on a watermelon were told by the students of classes one and two. A quiz was also conducted on watermelon. Then there was a fancy dress competition in which many students took part and won prizes. On the whole “Watermelon Day” was a cool and joyful day.

ACTIVITIES COLUMN

The Wise Way

3rd April 2023 – New session commences

BLOOM – A beautiful way of welcoming children

Children are like flowers. Flowers bloom in its vibrant colours and sweet smell to bring joy to all. With this thought in mind, Vidya Vikash Concept School had organized a warm greeting ceremony for children, to cheer them up and welcome them with open arms. The stage was decked up with balloons and a background screen to make the event more colourful.

Nursery, LKG and UKG children were welcomed with their hand prints on the surface of a board. The students' excitement was seen on their cheerful faces as they were eager to enter a new beginning.

The Director, Ramakrishna Sir, expressed his appreciation with zeal. Overall, the events of the welcome ceremony laid a platform for creating a bonding between students, teachers and our upcoming stars.

It's a new
DAY

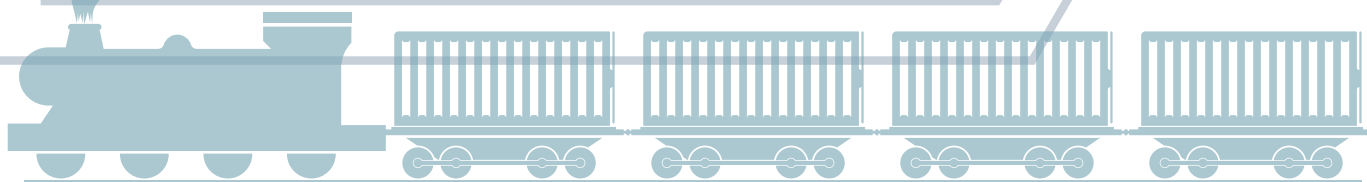

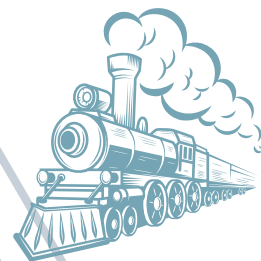

15th April 2023 – A Visit to the Railway Station

“Puff! Puff!” says the train as it comes around, “I daily pass by your town.”

The great hustle and bustle on the platform filled our children of classes one and two with great thrill and excitement when they set foot at the doors of the railway station and heard the sound of the trains arriving and departing very closely.

Vidya Vikash Concept School is emphasizing on the importance of practical learning. With this concept in mind, a tour to the railway station in the town of Raigarh was organized by the school in order to give the children a real feeling of what a railway station is like.

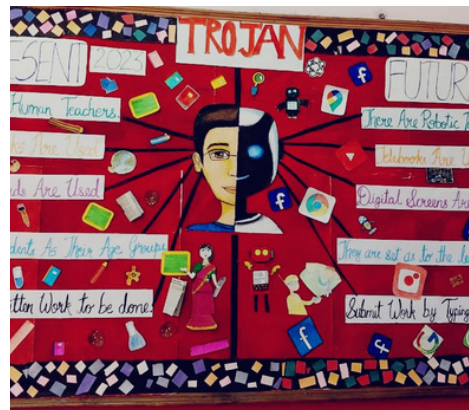

Under the guidance of their teachers, the children enjoyed watching many things which were new to them. First, they visited the ticket counters where the railway people and also the travelling passengers on the platform gave them happy and friendly glances and spoke to them. Soon the ringing of the bell announced the arrival of the train and a great hustle and bustle started up. The teachers gathered the children in a row and boarded them into the bus. Soon they were all on their way back to school leaving the railway station of Raigarh behind with images of their experience deep rooted in their minds.

18th April, 2023- Bulletin Boards – A platform for talent!

A bulletin board decoration competition was held in the school is a way of making students of various houses come together and work as a team, encouraged by their house masters and house teachers, they work with enthusiasm and zeal with the intention of out beating each other with their creativity, talent and skill. The aim is to create a healthy competition among the students.

The theme for the competition was, “Travel to the past or future and compare them with the world of today.” The students were to explore the world as it changed over the years from the past to the present scenario or how the world is going to change from the present to the future scenario. The topic was very thought provoking and challenging for the students as well as the teachers. The houses were judged on the basis of materials used, artistic skill, neatness and above all a good and clear explanation by the students, of what they wanted to express.

25th April, 2023- Earth, our beautiful home!

An Inter-House poster making competition was held on “Earth Day.” It is the day that marks the celebration of this great planet called Earth which we live on. Through the posters, the students demonstrated how one must be aware of the environment and help in protecting and preserving the beauty of Mother Earth. The posters designed by the students were both, soul stirring and a visual delight to the eye with their colourful paintings. The students from grade three to eight participated in this event and expressed their solemn thoughts and ideas about the harm being done to Mother Earth. They even showed us how to take care of our dear Earth and make it a happier, healthier and beautiful place to live in. The students had a great time preparing these posters with valuable guidance from their teachers. The young minds thoroughly enjoyed this activity of putting down their thoughts and imagination on posters.

The Ocean of Wisdom

Cake walk of being an IITian

“A little progress everyday adds up to big results.” This famous quote tells us about the importance of integrating our efforts to get the best results. For this, an early start of preparation is necessary. We in Vidya Vikash Concept School, Raigarh, have a confined syllabus for JEE and NEET which also matches, almost hundred percent, with our CBSE curriculum. By our consistent labour and perseverance, we can easily crack any of these competitive examinations.

Like Ayurveda with a good routine intake in a regular manner, gives a better life to a person, so also a student can achieve any desired goal with his or her consistent efforts.

We have designed a plan in terms of foundation courses like DPP, OPT and other regular assessments to help the students to improve in their academic performance. We earnestly hope that this would definitely lead us to the path of success.

by Ritesh Sharma (Educator)

READER'S DIGEST

The Treasure of Knowledge

Some Sociological Terms to Remember

- ***Counterculture-*** A way of living that opposes the dominant culture.
- ***Clique-*** An internal cluster or faction within a group.
- ***Bourgeoisie-*** Owners of the means of production—factories, businesses, and equipment needed to produce wealth.
- ***Ideology-*** A set of values that people devise to rationalize a particular social custom.
- ***Meritocracy-*** A system of stratification in which positions are given according to individual merit.

International Yoga Day

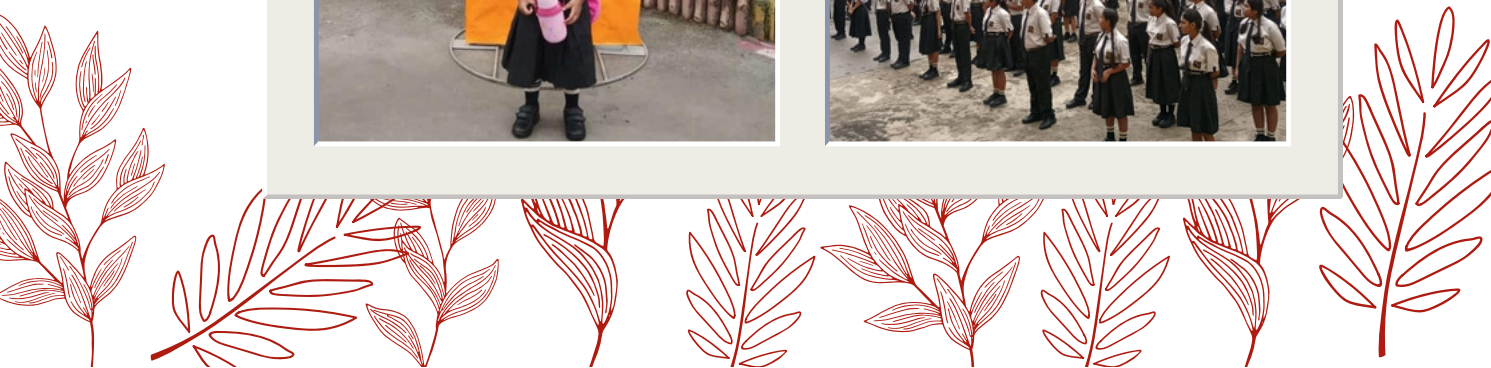

Congratulations!

A dance competition was organised in Assam's Guwahati under Nritchaya National Festival on 20 May, 2023. We are pleased to announce that our talented student Tammana Dash studying in Grade VI secured the first position in Junior Group Dance category. She was bestowed with her reward by the Honourable Chief Guest of this Festival Dr. Medini Howbal. Vidya Vikash Concept School family applauds our child prodigy Tammana Dash for her success. Keep moving forward kid!

"Every day is a chance to begin again. Don't focus on the failures of yesterday, start today with positive thoughts and expectations." We eagerly welcomed the kids of Vidya Vikash Concept School Raigarh on this new day of the session after school reopened . Let's get going!!!!

Celebrated the following Important Days

#17th May

"A mother understands what a child does not say."

WORLD
BLOOD DONOR Day

BE A HERO, DONATE BLOOD AND SAVE LIVES. YOUR BLOOD DONATION TODAY CAN BE SOMEONE'S LIFELINE TOMORROW

Today is your day!

Happy International Nurses Day

A building without a foundation is equal to a society without a nurse.
